01 PROFILE

As a skilled candidate for a front end developer role, I possess a strong foundation in HTML, CSS, and JavaScript. My proficiency in ReactJS, Git and GitHub further strengthens my ability to develop high quality web applications that meet the needs of users. I am confident in my ability to deliver a responsive and visually appealing user interfaces that enhance user experience. I am passionate about staying up-to-date with the latest technologies and trends in the industry, and I am always eager to learn and grow as a developer
